**1.- CHANGE THE FOLLOWING TEXT INTO THE PAST SIMPLE**

	<b>CHANGE INTO THE PAST SIMPLE TENSE</b>
<p>Every weekend I <b>get up</b> late and I <b>don't go</b> to school. My parents <b>don't go</b> to work either. We <b>do</b> all the housework together because <b>it's</b> fair to share the housework and <b>duties</b>. My father <b>doesn't cook</b>, but he <b>makes</b> the beds, <b>does</b> the shopping and <b>washes</b> the car. My mother <b>cooks</b> and <b>washes</b> the dishes but she <b>doesn't iron</b> the clothes. My older sister <b>irons</b> the clothes; however, she <b>doesn't sweep</b> the floor. I <b>can't</b> cook, I <b>can't</b> iron, but I also <b>help</b> with the housework: I <b>set</b> and <b>clear</b> the table, I have to <b>put out</b> the rubbish and I also <b>walk</b> our lovely pet: our dog Bark. Besides <b>housework</b>, we also <b>do</b> things that we <b>like</b> and <b>want</b>: we <b>have</b> dinner in a restaurant on Saturday evening, we <b>watch</b> some TV on Sundays, we <b>visit</b> our grandparents and we <b>go</b> to bed late. <b>There are</b> some other things that we <b>enjoy</b> but this <b>is</b> our typical weekend. I <b>have</b> to say that we usually <b>study</b> for the exams on Saturday morning and we <b>do</b> our homework too.</p>	<p>..... .....</p>
