All that I **want** is a new chance
She **wants to work** as a Maths teacher.
I **don't want to** see you.
What do you **want to** do this evening?

I'm **willing to** help
I'm **determined to** find a solution
She's **very reluctant** to give her phone number
I **would like to** become a teacher
I **would like to** meet you tomorrow
She **would like to** learn English
We **wouldn't like to** disappoint you
I **would like a glass of water**, please

What would you like to do?
Would you like to come to the cinema with me?
